

## Public Information

The Planning Accreditation Board requires this information be posted for the Wilder School Urban and Regional Planning program.

### Student Achievement

*Instruction: Provide an objective, independent metric with student performance information to highlight the program's unique qualities and strengths. Ideally, provide a definition of student achievement and a metric that measures specific areas of achievement rather than generalities or learning experiences provided to students. The measure(s) selected should not be related to items 2-5 of the criterion.*
